# A Round-Up of Our Most Successful Year With a Series of Values That We Consider The Best of The Season's Offerings--Burgess-Nash

## "Ring Out The Old Year"

The year 1917 goes down in history as the year of the declaration of war by our country against Germany and Austria in order, as our President has stated, that "the world may be saved for democracy."

To this organization these declarations of war do not represent a disaster, but on the contrary carry the halo of a most righteous cause, which will knit our people into a band of brothers and patriots and leave the imprint of our lofty purpose on every country on the globe.

It is the part of a patriot to do the things he is called upon to do, whether it be to shoulder a gun as a private, or lead a division as a general, to drive a delivery wagon, or manage a business.

Our country is girding on its loins for Armageddon, and we have faith that the call will find none of us wanting—man, woman or child—but all ready to do their duty, whatever that duty may be.

We are putting our house in order for the New Year and some unusual sales have been planned for Monday as a fitting Round-Up to the best and most successful year of our business.

## Round-Up Sale of Soiled and Mussed

# UNDERMUSLINS

AT REDUCTIONS OF 1/4, 1/3 and 1/2

It's a great clearaway movement—an effort to close out every piece of soiled or mused muslin underwear and start the New Year with a clean, new stock. We realize that with the great price advance on cotton goods this may seem a foolish thing to do, but as we stated in one of our previous announcements, "we are merchants, not speculators," and we believe that it's better for all concerned to clean our stocks up and put them on a war footing regardless of what we have to pay when we go into the market again to buy. You are the one benefited by this sale.
